DAVID STARR JORDAN HIGH SCHOOL

LONG BEACH, CALIFORNIA

SEPT.

1933

This year the graduating class of Jordan High School celebrates a special and historical occasion: thirty years of progress in the field of education. Yes, since the fall of 1933 when Jordan first opened its doors, individuals from many parts of the nation and the world have been able to experience the free educational opportunities at our school. Within the past three decades, the students at Jordan have gone forth with the knowledge to help shape the coming years. Since the years ahead will be difficult ones, we must today, and perhaps more than our predecessors have in the past, prepare ourselves intellectually for the problems of the future. Our complex world demands of us that we learn more everyday. We shall be confronted with enormous tasks in the remainder of this century, and these tasks, numerous and dangerous as they will be, compel us to carefully prepare for the preservation of our democratic beliefs. It is this exchange of ideas in a free society that nourishes the growth of a nation. Jordan began this job thirty years ago, and has continually emphasized the importance of individual achievement and self-discipline. Let us hope that the graduating class of 1963 and those who follow will continue to exhibit this fine academic spirit.

Fred,
To a real sweet and nutty guy. I wish you all the luck in the world. Whatever you do, don't loose while surfing this summer. It's been real knowing you.
Best Wishes always,

FALL-1962

FOREWORD

One of the most dynamic aspects of school life is the spirit exhibited by the students at the high schools in Long Beach. Each year the competition increases and the school spirit intensifies. We at Jordan take pride in supporting our athletic and academic achievements in order to illustrate the feelings we have for our alma mater. We know and realize that a significant factor of the student body is to support its school activities.

As portrayed in the photograph at the left, Jordan can truly be proud of her outstanding and invigorating school spirit. This is the same type of competitive spirit that makes all Long Beach High Schools excel in their academic and athletic endeavors.

Fred
I haven't known you for

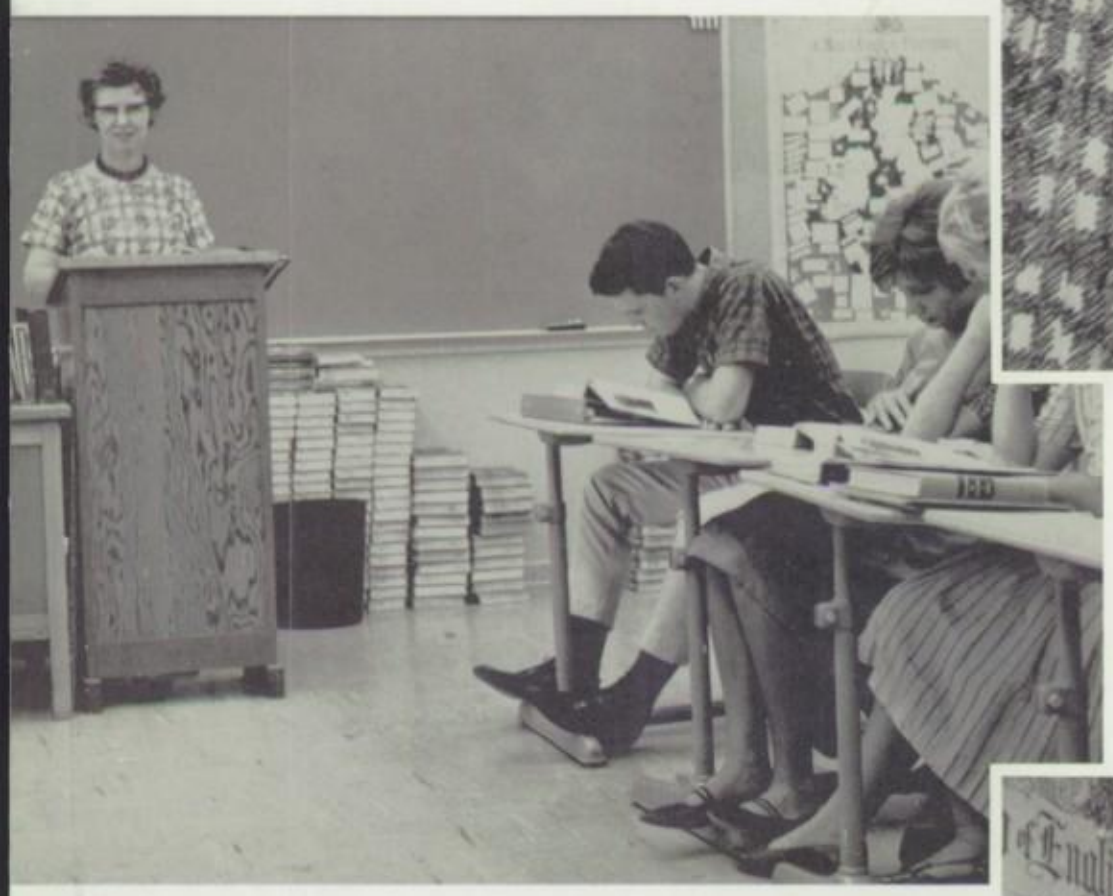
Miss Phyllis Jacobson, English, M.A., Univ. of Iowa

DEDICATION - 1963

It is with gratitude and admiration that the Annual Staff and the Student Body of Jordan High School dedicate the 1963 Trailblazer to our 11th and 12th grade English chairman, Miss Phyllis Jacobson. As one of the most outstanding teachers our school has ever had, Miss Jacobson has contributed greatly to the intellectual and moral growth of her students. With a great deal of sincerity, Miss Jacobson, we offer our appreciation for the faithful and inspiring work you have done for us.

WE THANK YOU

Miss Jacobson's classes enjoy intelligent discussions and show a desire to learn and investigate.



Miss Jacobson's Senior English Classes provide a thorough background for the potential college student.

Fred,
It's been a lot
of fun knowing
you these past years.
Remember when you and Bob
used to play baseball baseball?
You're a real sweet guy and I wish
you the best of luck always.
God Bless you always.
Love,
Terri McColem

Assisting Mary Anne Williams, Miss Jacobson indicates a particular word or phrase important to a literary interpretation.

Miss Jacobson points to the Lake District in England which served as the background for much of William Wordsworth's poetry.

DR. F. MILTON SAGER

Organization is the key to all success. For the past six years, Dr. Sager has devoted an enormous amount of time and effort to Jordan High School. We are all very proud of his work and his administrative staff. We, as members of the graduating class, shall never forget the friendships formed, the ambitions aroused, the skills acquired, and the love for learning fostered in the past three years. All these experiences have become part of us, enriching our lives and forming the background for our future goals. Without Dr. Sager's arduous toil, we would not be able to mention these fine accomplishments today.

Our hearty thanks to you, Dr. Sager, for your part in making Jordan a school of which we are all so proud.

SENIOR ACTIVITIES

The senior class of 1962-63 contributed greatly to Jordan High School. This year they introduced many new activities and assemblies for their underclassmen.

These people have set a rewarding example for many to follow and will all venture into different fields using the knowledge they acquired at Jordan High School.

Our Senior Pepsters lead the Jordan fans in a victory yell.

SOPHOMORES IN ACTION

The 1962-63 school year proved to be a most interesting and exciting one for the sophomore class. New traditions were learned and high standards were upheld by the underclassmen. Perhaps the outstanding achievement of the year was the promotion of school spirit.

Dianna Snively and Mary Jensen take a thirty second break between classes.

Last minute preparation for that final exam.

P.T.A.

PTA was founded in Washington, D.C. in 1897, as a volunteer organization with the purpose of promoting the welfare of children and youth. Our local PTA is a self-governing unit that plans its programs and activities to meet the needs of youth in the community. The Parent-Teacher associations welcome into membership parents, teachers, and all other citizens interested in the welfare of children and youth.

Keeping the public intelligently informed on school affairs is one of the important duties of every PTA. Included in the activities sponsored by the PTA were birthday cakes for boys in Juvenile Hall, clothing, food, and dental work for some of our needy students, help at football game concessions, and assistance at SOS Clinics. This year many parents assisted the Recreation Department at the Canteen, and Clinical help was provided in administering TB shots. Also, a legislation study group was organized to inform our parents of pertinent legislation.

Through all of these activities, the Jordan PTA strives to work with youth as well as for youth.

A. F. S.

Faculty advisor, Mr. Stan Larsen, and Exchange Student, Toyoki Hamada.

One purpose of the American Field Service is to send highly selected U.S. teenagers abroad to further their understanding of another country and also to increase understanding of the U.S. in other lands. There are two phases of AFS: the Summer Program, and the School Program.

Two of our top seniors, Jon Andrews and Penny Hansen were selected to go abroad on the Summer Program last July and August but, unfortunately, host families could not be found and they were unable to visit the countries of their choice.

Another purpose of the American Field Service is to send top students from foreign countries to live and attend school in the United States.

Toyoki Hamada, our Exchange Student from Kobe, Japan, is very active in school and community affairs. A member of Key Club, World Friendship, and a top man on Jordan's Varsity Track team, Toyoki gives at least one speech each week to the PTA, the Lions' Club, and various other organizations. On June 20, Toyoki and all other Foreign Exchange Students will leave on a three week tour of the United States ending in Washington, D.C., to meet with President Kennedy.

Toyoki, we have enjoyed having you!

Each year one girl and two boys are chosen to represent Jordan at California Girls and Boys State. The girls reside at the University of California, Davis Campus, and the boys at the State Fair Grounds. Here they spend a week filled with activities to awaken interest in city, county, and state government. The week is climaxed by the inauguration of the governor and other elected state officials and a trip to the State Capitol.

JORDAN'S MARCHING BAND

We would like to thank the Jordan Marching Band for all their effort and time they have given at each of their performances this year. The band, led by drum major John Diehm, always adds a sparkling touch to the pre-game and half-time activities. Not only have they represented us at football games, basketball games, and assemblies, but have also participated in many outside activities. Marching in a parade in Palm Springs gave a final tribute to their excellent performances this year.

Drum Major, John Diehm, always in good form.

HI - TEEN CANTEEN

From the "GETTING TO KNOW YOU" dance and Open House for 9th Grade Graduates, to the ALOHA dance, our annual Salute to Seniors, to the "HOWDY HOP," in September, the Jordan Canteen presents a monthly band dance for the enjoyment of members. In existence since 1944 and now occupying a beautiful building dedicated in 1960, facilities include a well equipped game room and a social hall, both overlooking a spacious patio. A small conference or TV room and a snack counter add interest and help to make the club most inviting to some 1600 members, well over half the student body.

Mrs. Jessie Jones, director since 1948, always feels that "this year's" members are the most outstanding.

Faculty sponsors are Mr. Frank Blye and Mr. Kenneth Heath.

Vince Mariner is an assistant director.

Mrs. Jones has always made us feel welcome with her friendly smile.

Scott Campbell enjoys a game of pool.

Sarah Hildebrand and Tom Commeau are the perfect King and Queen for this year's Valentines Dance.

ALUMNI DAY 1962

Linda, Virgina, and Susie Chelius—past, present, and future flag girls.

After a day of visiting teachers and friends, some former Jordan femmes attempt to quiet the sophomore class of 1977.

Former Students celebrated their Annual Alumni Day this fall by returning to Jordan and visiting classes and classmates. The evening was concluded with an exciting 7-0 football win over Downey. Highlighting a series of festive activites, the alumni capped their week with a formal dinner and dance at Lakewood Country Club.

WHY DRAMA?

Many students think very seriously about this question each year in planning their schedules. To be very honest about it, we in the Drama Department don't intend to train students basically for theatre alone. I do believe we can greatly assist the student who is talented and has inclinations toward this field. However, many students who lack ability, self-confidence, poise or a good speaking voice can benefit by taking a course in dramatics. In the informal atmosphere of a drama class or a rehearsal for a school play, we constantly strive to give our community and school our very best in theatre.

Sincerely,

J. Alberico

JORDAN HOSTS C. A. S. C.

Student government has become a necessary part of every high school curriculum, and is one of the more important features in molding the students of today into the free-thinking citizens of tomorrow.

The California Association of Student Councils is an organization that represents every high school in the State. Since 1947 it has been devoted to promoting better student government and developing more student leaders.

On December 5, 1962, the conference of the Nineteenth District of C.A.S.C. was held here at Jordan. The job of the individual districts is to operate close to home on a more personal basis, develop friendly relations with nearby schools, referee in discussions of problems relative to the schools in the district, and to provide more opportunities for the students to participate in the functions of student government.

Our sincere thanks to Tom Commeau and Janice Kuester for representing Jordan as officers of C.A.S.C., and for the effort and time they devoted to the conference this year.

FRENCH CLUB WINS TALENT CONTEST IN TRAILBLAZER ASSEMBLY

This year the Trailblazer Staff sponsored a talent assembly for sales promotion. The happy winner in the fall presentation was the French Club sponsored by Mrs. McIntire and Miss Hughes.

Activities and meetings are integral facets of the French Club. Besides holding meetings every two weeks, they take an active part in school affairs. This year, some of the group appeared on the "Truth or Consequences" television show and were pleased recipients of several prizes.

Again, French Club members, congratulations on winning the first Trailblazer Talent Contest.

EPILOGUE

Things are looking up. Blessed with some of the finest talent to come along in some time, the Panther Varsity enjoyed one of its finest seasons this year. The team displayed a great "work hard" attitude which resulted in a third-place finish in the tough Moore League. This is the highest finish since 1954 when Jordan was a member of the Coast League.

Jordan proved to be exceptionally strong offensively and defensively, and presented an exciting display of football. What is more important, the Panther fans filled the stands at most games and gave the team tremendous support. The prospects for 1963 look even brighter. Although some fine boys will be missed, an experienced group of lettermen will return to form a strong team.

Our hearty congratulations to all the varsity participants for their work in giving us an interesting and action-filled season.

All-League, Jim Stratton, Tom Skidmore, Bill Coleman.

THE JORDAN JUNIOR VARSITY

For their outstanding performances this year, Pat Sayne and Carl Ball received special awards. These boys spearheaded the inexperienced J.V. squad to a 50-50 record. The team reached their peak when they defeated a strong Santa Ana eleven. Holding the Dons scoreless, the high spirited J.V.'s managed to maintain a good record. They ended the season with a sparkling comeback by defeating Lakewood J.V.'s 7-6. This victory marked our first J.V. Moore League win in the last three seasons.

THE PANTHER VARSITY - MOORE LEAGUE CHAMPIONS

The Jordan Varsity Basketball Squad again illustrated its prowess on the hardwoods by capturing the Moore League Title in 1963. Coach Ben Palmgren's team finished with an exciting 8-2 record in league play, which was highlighted by a suspenseful 62-59 overtime victory against Poly.

In compiling an overall 15-8 record, the Panther Varsity emerged with their best season in some years. Heading into the C.I.F. Playoffs, the squad dumped Savannah High by a score 52-41, and then were "jinxed" again when they lost to a strong Compton five by a score of 73-66.

Capturing honors from virtually every source, which included first team C.I.F., Jordan's Jim DeLong averaged twenty-six points per game for the entire season. DeLong played aggressive ball and inspired the team in most contests. Other outstanding players included Doc Savage, Mike Cronkite, Tom Commeau, Dave Sorenson, George Mellor, Tom Pearson, and Mike Crain. Again, our thanks to Coach Palmgren and his fine team for an exceptional job.

SPRING DRAMA PRODUCTION

"Did you ring, ma'm?"

Four performances of "Angel Street" were given to capacity audiences for the Drama Department's final production of the 1962-63 season. Many fine compliments were received.

Thanks and appreciation to the Art Department and stage crew for an outstanding set.

See you next year!

Karen Joyal, student director, gives last minute instructions back stage.

The cast: Sally Doud, Don Williams, Lana Biggs, Al Strickland, Tracey Olgelsby, and Loyd Hines.

Lieutenant Rough, played by Loyd Hines, anxiously awaits for his cue to enter on stage.

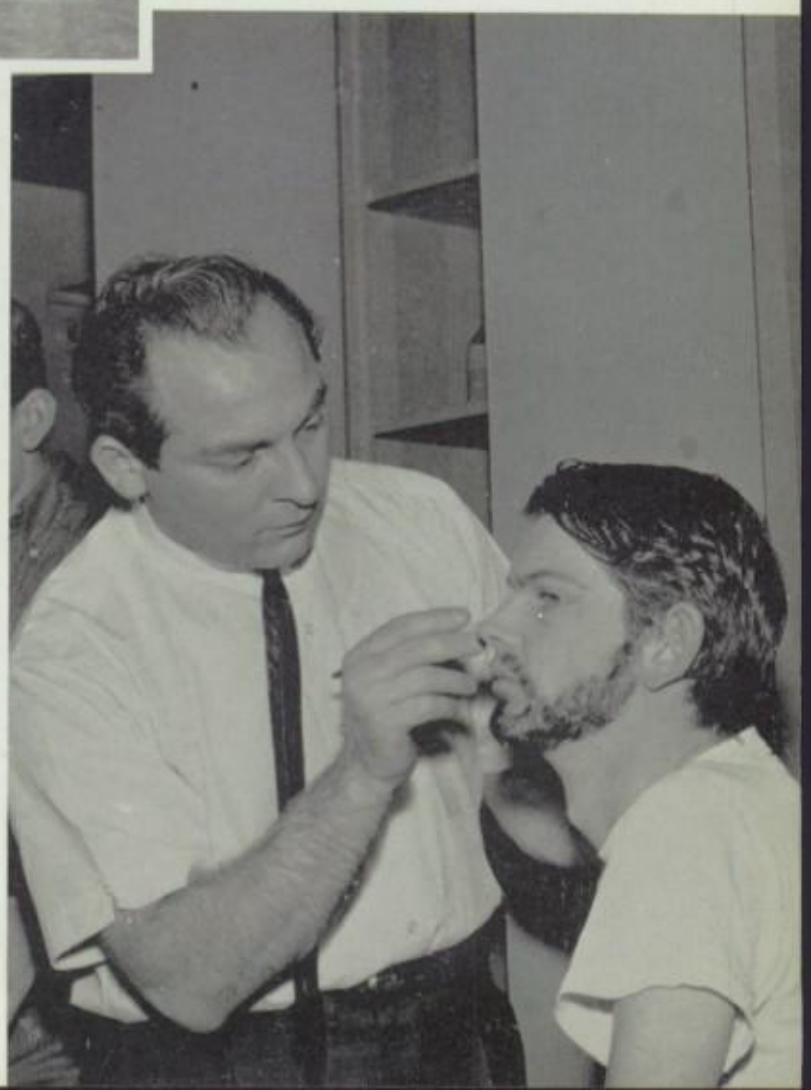
PATRICK HAMILTON

"Oh, Jack! I'll be better. I'll try to be better!"

The cast: Barbara Babington, Don Williams, Tracey Olgesby, Al Strickland, Pat Gordon, and Loyd Hines.

Mr. Manningham, calm in his plot to drive his wife insane, listens cautiously to her ardent plea for compassion.

Mr. Alberico applies final makeup touches to Mr. Manningham, played by Al Strickland.

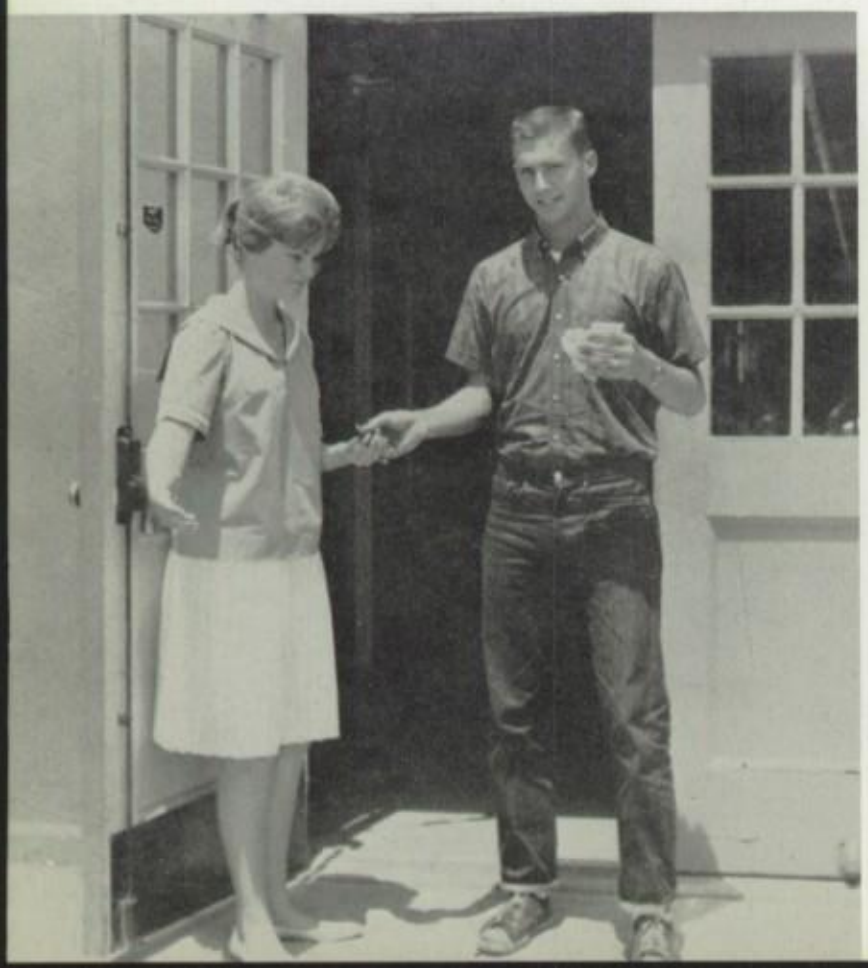


BACKWARDS WEEK

Francime Coombes feeds the helpless John Wiskel.

An annual Backwards Week is held on the Jordan Campus. During this time the girls are required to carry books, open doors, and even buy tickets to the Backwards Dance! The music at the dance this year was provided by The Royal Monarchs. A highlight of the evening was the "Hitchin' Post," where couples could get attached to their favorite guy or gal. At the conclusion of the dance this year, Helen McClure and Tom Commeau were crowned "Daisy Mae" and "Lil' Abner."

Rich Swenson waits impatiently as JoAnne Gaeta ties his shoelace.



Mikki Scott and Jim Delong are greeted by Mr. Davis as they enter the Backwards Dance.

Couples enjoy music of the Royal Monarchs.

THE BACKWARDS DANCE

The hitching post proved to be one of the most active lines.

Helen McClure and Tom Commeau are crowned Lil' Abner and Daisy Mae. Don't they make a darling couple?

Individual student panels, such as the one above by Jackie Curtis, were exhibited throughout the show.

Over 1,000 adults and parents visited the Art Show on Open House Night.

Crafts objects and projects from Industrial Arts provided interesting viewing.

Cover Design by Dennis Moore.

7th ANNUAL ARTS EXHIBIT

Prints, pastels, and tempera.

Students view various displays.

Collages and oils by advanced students create an interesting panel.

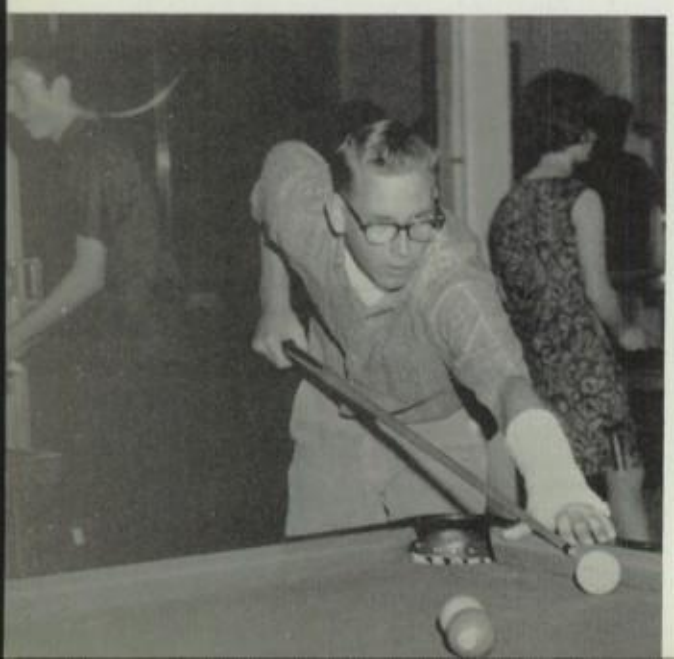
Time out to watch.

"Are you sure this is a waltz?"

The Silvertones provided the Aloha music.



Some enjoyed other recreation.

Everything was swinging!

The happy winners of the Grand Sweepstakes Award were the Modern Dance Club.

"Around the World" was performed by Soloist Chris Johnson.

INTERNATIONAL SHOWTIME

This year the Spring Sing and Jamboree were combined to form an outstanding evening of entertainment. Talent from several sources helped to make International Showtime a permanent event at Jordan.

Gepettos Toy Shop comes to life.

Mrs. Neilson's modern dance class executes their version of Miserlou.

Baritone Dan Barling entertained the audience with "San Francisco."

Anchor Club sang a medley of songs from the Old West.

JUNIOR — SENIOR PROM

Keith Williams serenades with a smooth number.

Couples entered the dance floor through ivy covered paths.

FOUNTAINS OF MEMORIES

The Junior-Senior Prom was an evening of excitement and pleasure. Couples enjoyed the music of Keith Williams and his combo in a garden setting of fountains and ivy covered lattice works.

Fountains of Memories—a setting to be remembered.

The refreshments added to this outstanding event.

Students paused for photos in the foyer.

JUNIOR — SENIOR PROM

Under a bell-shaped ceiling, couples danced to soft melodies.

Sometimes the tempo increased.

THE SENIOR BREAKFAST

On the Friday before graduation week, seniors enjoyed pancakes, ham, orange juice, and milk.

"May I please have some more syrup?"

"What was that you said about my cooking?"

"But I tell you I did make that lefthand signal!"

Eldon Dale and his Riverside Racer.

Troy Goodman, Sandy Paulson, and Sharon Mayne presented the Candlelight Service.

John Boyer provided a musical selection for the service.

VESPERS SERVICES

A note of reverence prevailed at the annual Vespers Services, which was attended by parents and friends of the graduates. The importance of this occasion helped the seniors realize that faith is needed in accomplishing the goals of the future.

An overall view of the Graduating Class of 1963.

The choral music added to the theme at Vespers.

COMMENCEMENT CEREMONIES

Lynn Lent and Audrey Esses make those last minute adjustments.

Graduation exercises for Jordan's seniors and their relatives were exciting and memorable. Over six-hundred upper classmen received diplomas and honors from Board of Education member Dr. Dwight C. Sigworth and Principal Milton Sager.

Student Body President Ken Cook introduced the Senior Class, and Tina Halbeisen and Ann Camfield delivered the Commencement speeches. Music and choral compositions were under the direction of Mr. Carl Robertson and Mr. Jerome Bartkus.

Upon conclusion of the graduation activities, many seniors attended the All Night Dance, a highlight of graduation week.

Ann Camfield emphasizes the importance of education.

Dr. Dwight C. Sigworth and Dr. Sager present diplomas to the anxious seniors.

Major "J" winners seem quite happy about their awards.

Dave Lyon receives an outstanding student award from Dr. Sager.
